Chain free! Blueprints & Co Properties are delighted to offer this unique three-bedroom 1930's house, located within a prime location with great transport links. This larger-than-average house has been newly painted internally and externally as well as having the wooden floor and fresh carpets. The property benefits from three spacious bedrooms, large through lounge, fitted kitchen, off-street parking for multiple cars, private rear garden, side garage with rear access, double glazed windows, and gas central heating.

In our opinion this would be perfect for any family looking to make a house a home, whilst still offering the potential to grow further in size and value via a loft conversion, Side & back extension (STPP).

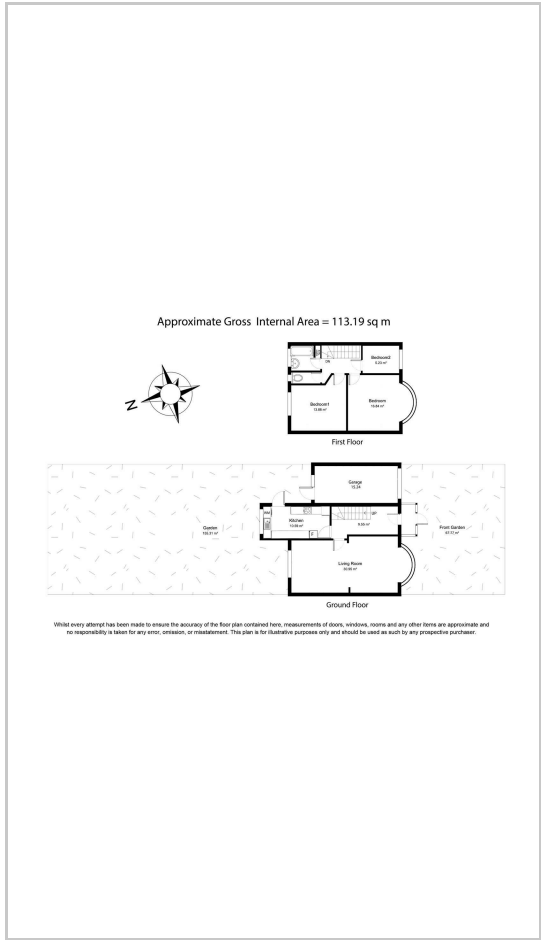

The property has been well-kept throughout and viewings are highly advised. Must be seen!
